Give your project a descriptive title

Before submitting your influential email, be sure to address the following elements:

Email contains the following elements: subject line, greeting and intro, body, conclusion, and closing. **(4 points)**

Email includes 2-3 reasons why expanding the rollout is unwise. **(4 points)**

Email applies Conger's four steps of effective influencing: establish credibility, frame for common ground, provide evidence, and connect emotionally. **(4 points)**

The email may be submitted as a Google doc or a downloadable file (.doc, .docx, .pdf).

If submitting the email as a Google doc, enter the URL below. You may also include an optional title or caption.

Please make sure to check the sharing settings to confirm your peers have "view" access. If your doc settings are not accessible to everyone, you may not receive a passing grade. For more support on sharing settings, you can visit [this resource](#) .
