Provide constructive feedback for your classmate on their submission. Below are some guidelines and examples of good feedback to help you leave constructive comments for your peers.

When giving feedback, consider:

Leading with positive feedback

Providing a balance of positive and actionable feedback

Sticking to information-specific, issue-focused, and observation-centered comments

Examples of good feedback:

"You did a great job of uncovering and adding tasks! I think you ordered them in a way that makes sense as well."

"The milestones you identified relate clearly to each task. The sequence made a lot of sense as well.."

"What a comprehensive project plan! I think you have a lot of applicable tasks here, but I'm not sure you ordered them in a way that fully makes sense."
