- Peers to review

Project Title *

Discussions

Give your project a descriptive title

- Before submitting your Backlog check it to make sure it meets the following criteria:
- . There are Backlog items assigned to the Current Sprint. **(2 points)**
 - . All extra Backlog items are assigned to the Next Sprint. **(2 point)**
 - . The sum of the Current Sprint’s Story Points fits the team’s capacity. **(2 points)**
 - . The value attributed to the Current Sprint is greater than the value attributed to the Next Sprint. **(1 point)**

The Backlog may be submitted as a Google sheet or a downloadable file (.xls, .xlsx, .pdf).
If submitting the Backlog as a Google sheet, enter the URL below. You may also include an optional title or caption. **Please make sure to check the sharing settings to confirm your peers have "view" access. If your sheet settings are not accessible to everyone, you may not receive a passing grade.** For more support on sharing settings, you can visit [this resource](#).

https://example.com

If submitting the Backlog as a .xls file, upload your document below.
Note: To upload a file, you must also enter a value into the URL box above. Type “https://www.com” into the URL box to ensure your file uploads successfully.
