# Getting started on Course 5

Congratulations on completing Course 4 of the [Google Project Management Certificate!](#)  To make continuing with the program easy, here is a link to [Course 5: Agile Project Management.](#) 

In this course you will learn about Agile project management, including:

- A brief history of Agile
- Scrum values, roles, events and artifacts
- How to build, manage, and refine a Product Backlog

Keep up the great work!
