Give your project a descriptive title

Before submitting your presentation, check it to make sure it meets the following criteria:

The presentation includes six completed slides. **(2 points)**

Slide 1 contains a title. **(1 point)**

Slide 2 summarizes the tablet rollout milestone. **(2 points)**
Slide 3 includes an overview of what the project team wanted to evaluate. **(2 points)**

Slide 4 includes a chart or graph of a data point from the survey responses. **(2 points)**

Slide 5 includes a recommendation for improvements or next steps. **(2 points)**

Slide 6 includes a second recommendation for improvements or next steps. **(2 points)**

The presentation may be submitted as a Google Slides file or a downloadable file (.ppt, .pptx or .pdf).

If submitting the presentation as a Google Slides file, enter the URL below. You may also include an optional title or caption. **Please make sure to check the sharing settings to confirm your peers have "view" access. If your file settings are not accessible to everyone, you may not receive a passing grade.** For more support on sharing settings, you can visit this resource⤢ .
