Discussions

Give your project a descriptive title

Before submitting your executive summary, check it to make sure it meets the following criteria:

The executive summary describes the project vision. **(1 point)**

The executive summary includes two key accomplishments. **(2 points)**

The executive summary includes two lessons learned. **(2 points)**

The executive summary includes two next steps. **(2 points)**

The executive summary may be submitted as a Google Slides file or a downloadable file (.ppt, .pptx or .pdf). If submitting the executive summary as a Google Slides file, enter the URL below. You may also include an optional title or caption. **Please make sure to check the sharing settings to confirm your peers have "view" access. If your file settings are not accessible to everyone, you may not receive a passing grade.** For more support on sharing settings, you can visit this resource⤴.
