Browsing Future Jobs

At some point, you may want to begin to search for jobs. So. how do you know where to start? There are lots of trusted job sites you can use, like Indeed↗, LinkedIn↗, Google Jobs↗, Ziprecruiter↗, and the Coursera Job Platform↗.
Browse some of the open positions to get a feel for what you might be interested in by visiting these sites--and don't forget to set your location and experience level.
