Get started on Course 3

Congratulations on completing Course 2 of the Google Project Management Certificate! ↗ To make continuing with the program easy, here is a link to Course 3: Project Planning: Putting It All Together. ↗

In this course you will learn all the steps for starting the planning phase of a project, including:

• Setting and reaching milestones and identifying tasks

• The budgeting process

• Identifying and planning for risks

• Key project documentation

Keep up the great work!
